

2009 Chiba University Global COE program Annual Best Research Award application guidelines

1. Aims

We established Annual Best Research Award to enhance young researcher's motivation to pursue research. The award is given to Ph.D.students in the G-COE relevant fields whose research is recognized to be most outstanding through evaluation in the committee of the G-COE Operation and Management Office.

2. Qualifications for applying

Students in the second semester of third grade or the fourth grade of PhD program course of both Medical and Pharmacy

3. Application documents

- (1) Application form (form 1)
- (2) Letter of recommendation (form 2)

Please submit one original and five copies of (1) and (2) to G-COE office.

4. Deadline for application

January 29th 17pm

5. Number of winners

One or two students

6. Prize

The winner gains research fund up to 1,000,00 yen with a certificate and a commemorative gift.

7. Selection criteria

Annual Best Research Award is selected based on application documents by the committee of the G-COE Operation and Management Office.

8. The winner's research will be announced at G-COE symposium and G-COE website.
